Show and Sale

THURSDAY, SEPTEMBER 16, 1954

RED OAK, IOWA

A PERSONAL INVITATION

Thursday, September 16th at the Bradley Sale Barn in Red Oak is the place to see and invest in modern, profitable Shorthorns and Polled Shorthorns.

Our cattle on this occasion are consigned from twenty-nine of the leading herds throughout this section of Iowa.

Here is the place where buyers get MORE—in quality, potent blood lines, long service dates to great sires, calves at foot—for the invested dollar.

The bulls are big, rugged individuals—they are ready for heavy service.

Of particular consequence are the fine cows with good, big husky calves at foot by some of the best bulls of the entire state. Here is the chance for 4-H and FFA boys and girls to make wise investments. This is one of the big, important days of the entire fall sale season. We urge you to be with us.

GENERAL INFORMATION

TIME—Thursday, September 16, 1954. Show will start at 9:30 a.m. Sale will start at 12:30 noon.

LOCATION—The show and sale will be held at the Bradley Sale Barn, Red Oak, Iowa through the courtesy of L. V. Bradley. The facilities of the Bradley Sale Barn are excellent. They have plenty of parking space for trucks and cars, nice roomy stalls for cattle. The sale pavilion is well ventilated and well lighted, most convenient for buyers and owners—everyone interested in better cattle.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately on the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with the instructions from the purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to serve until 16 months old or run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought, and if, after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at time of sale are guaranteed to be breeders. Animals returned to seller because they do not comply with the guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager nor the clerk of this sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each lot sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

MAIL BIDS—Those wishing to buy at this sale and cannot attend in person may send their bids to the treasurer, sale manager, Jack Halsey, Albert Hamann, Clem Larson, Arden Aegerter, Bill Barber, Arch Stone or Kenneth Fulk, any of these men in care of the Sale Manager, who will see that they are delivered to the party entrusted with your order.

Although every precaution will be exercised to promote the safety and comfort of the guests, neither the Southwest Iowa Shorthorn Association nor any of its officers or directors, auctioneers, fieldmen, clerks, the sale manager or the sale barn management will assume any liability for accidents.
